- \* We have nut free options available
- \* If you like sausage try our fennel seitan
- \* If you like pepperoni try our pea protein circles
- \* Our gluten free crust only comes on a 14" square

# ABOUT US:

Hot Tongue Pizza is a contemporary plant based pizza shop that takes from the energy and vibrance of the best city in the world, Los Angeles. The open floor plan of the restaurant allows for a peak inside the magic that goes on day in and day out. The pizza is not only meant to entice your tastebuds, but also to evoke the nostalgia of that slice you had growing up.

Hot Tongue's warm counter service and low key casual ambience makes for a perfect dining experience. Come in a stranger and leave a friend. The alchemy comes in the form of classic pizza combinations, on top of the best grains, carefully sourced ingredients with an angeleno attitude. Don't let the lack of dairy and meat cloud your judgement. This is one of the best slices in the city.
